FEATURED BENEFITS:

- ☑ Multicolored blades and thatch fibers offer a unique, realistic appearance.
- ☑ Provides heat reduction benefits from our Heat Block technology.
- ☑ Shine Block blade profiles reduce the reflective quality of the fiber, replicating a healthy, well-trimmed, natural lawn.

S & MINI D BLADE TECHNOLOGY

The combination of S-shaped and Mini-D blades provide heat and shine blocking benefits, and contribute towards a more natural appearance.
